

STATEMENT OF PURPOSE

RS29072C1 / H0453

The purpose of this legislation is to further clarify diversion processes by moving the informal adjustment process from 20-511, Idaho Code, to 20-520, Idaho code, where all other post-petition options exist, and to make technical corrections. Designating 20-511 as the standalone statute for pre-petition diversion will provide stakeholders greater clarity regarding diversion processes.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because this proposal provides for updated processes and movement of existing language only. It does not introduce any new fiscal obligations on any part of the Idaho juvenile justice system.
